Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: I use compounded medication for HRT.
I want natural hormones, which my pharmacy
in Wisconsin is able to supply to me. Thus, it
is necessary for them to send medicines over
state lines, since I live in New York. I feel
that it should be my choice along w/ my
doctor to use compounded medicines - not
the choice of the government and its HOO's !!!
